1	anonymous	Very good. Feel lucky to have such a nice TA.	English (United States)
2	anonymous	Loosen up a bit :) No need to be so serious!	中文 (简体)
3	anonymous	Many thanks for supporting us both technically and mentally through this course. It's really nice to study with you again. Just one suggestion, can you also record the tutorial even if it's done in person? Thanks.	中文 (简体)
4	anonymous	It is really nice to have Jie as our class tutor for EC6102. All classes are very well prepared and she cared about emphasising the important parts to us.	中文 (简体)
5	anonymous	Hints on key points and error prone points are very helpful, thanks!	中文 (简体)
